## פנחס - פרשת התמיד

Olympic athletes dedicate their entire lives to prepare for the moment they hope will bring home the gold. It's amazing how years of intense training and focus are invested in pursuit of their dream to achieve the epitome of success in their field of endeavor. All this effort is put in even though there are numerous other athletes who hope to take the gold as well. They may never come close. They may never make it onto the Olympic team at all. Yet, they will doggedly pursue their goal with a single-mindedness and relentless, grueling effort that is an achievement in itself.

The mark of the true Oveid Hashem is his similar single-mindedness to focus his עבודת המידות on כוחות in an effort to attain perfection and create והמצוות in an effort to attain perfection and create נחת רוח for the Eibishter. There may be others who do it better. He may never achieve recognition as one of the Gedolai HaDor. But every day he focuses his energies with renewed focus and effort.

The Ribono shel Olam brought each of us into this world to accomplish some תיקון that may only come about from the one time we made the effort. An entire lifetime may be invested in preparation for one moment of perfection in Middos or Mitzvos. Chazal teach of the Malochim that are created in order to say Shira once and then plunge into the נהר דיןור, a river of fire, to disappear forever. R' Chaim Mintz, shlit"a once said that Chazal don't just impart heavenly trivia because it's so interesting. There's always a lesson to be learned. The lesson here is to be prepared and ready for the moment that we will achieve our תיקון. It may only a one time effort that will have made a lifetime of focus pay off.

There is a Mesorah that the Chacham Tzvi, while yet a Bachur, spent a period of time as a boarder in the home of an ancestor of the Rothschilds. The

Baal HaBayis was a wealthy magnate and his family lived very comfortably. The young Talmid Chochom took no notice of the opulence surrounding him as he devoted night and day to his learning. Often, to the chagrin of some of the household, he would return to his lodgings very late at night. They found it disturbing that he followed his own schedule with disregard to the others. The Baal HaBayis refused to say anything to the young Chacham Tzvi. He felt it was a privilege and Zechus to have this light of Torah shining in his home.

One day, the Baal HaBayis had experienced some rough dealings in his business. He came home very short-tempered. When the Chacham Tzvi came in once again at a late hour, the Baal HaBayis lashed out at him for his inconsideration. As soon as he said his biting words, he became overwhelmed with shame for being פוגע in Kovod HaTorah. He broke down in tears and begged מחילה. The next day a delegation arrived from out-of-town to offer the already famed Talmid Chochom the position of Rov in their city. The Chacham Tzvi accepted and immediately packed his bags.

In taking leave of his host, the Chacham Tzvi informed him of the reward awaiting him for the efforts the Baal HaBayis made to be an אכסניא לתורה. It was destined that I leave here today. Had you controlled yourself just one more day, you would have merited generations of Gedolai HaDor. Instead, as a reward for hosting me all this time, you will enjoy generations of greatness in material wealth instead.

We may never realize when we have achieved our goal. Ours is to maintain focus and go for the gold.

Have a wonderful Shabbos!

# LIVE REPORT!

150 degree weather?! Nah! Humidity levels never seen in the history of mankind?! Pshaw! Wildfires raging across the Midwest, Texas and London?! Chavalal hazman! **NOT IN SDC!** With our brand new cooling misters installed all along the promenade, with hundreds of coolers filled with **ICE COLD WATER** stationed all around the campus, and with our crisp and inviting pool, how could anyone even feel anything but cool, calm and relaxed?

Relaxed, but thrilled about the amazing, fun filled week at **SDC!** THE week exploded with a visit from **THE LIVE GAME SHOW!** Hosted by the world famous **YISROEL ERPS,** who transformed the Diamond Beis Medrash into a frenzy of activity. Each camper received a state-of-the-art whatchamacallit thingy that gave them full control of the game show and the power to conglomerate the effervescing pontification. This power, along with some very healthy competitive-styled feelings and tons of achdus, led to an amazing, afternoon of conglomeration. The campers were divided in two teams and were challenged to figure out all sorts of fun facts about camp. The most popular lunch in camp, **RABBI TAUB'S** actual age and the most popular activities on **MIDZ DIVISION** head, **DONNIE RUDANSKY'S,** quantum physics schedule. Everyone was having so much fun that you couldn't even tell which team actually won!

Next came one of the greatest sights any camper has ever seen! 4 massive, luxury cruise line, air conditioned, gas powered coach buses appeared over the horizon and slid to a stop in front of our eyes. **OVERNIGHT 2022! THE 50'S, 60'S AND 70'S** packed up, ate a delish dinner and footlong smoked turkey and pastrami hero sandwiches (different than Subway's sandwiches because these are kosher and we ditch the sand on the bottom) and it was off to to Aquatopiaindoorwaterpark! with hours of awesome slides and wavepools and even a Venus SlydeTrap! Then it was off to Y. S. V. for some R&R, before hitting the fields and the air conditioned gym for a morning of sports. Next it was time for Dave and Buster's for hours of arcades, claw machines skee ball and prizes, before returning back to camp to a Cordon Bleu five star Emmy award winning, BBQ dinner, prepared by **CHEF MORDECAI** and his crew in honor of the boys' return. Wow! Those wings were unstoppable eats!

While the **SENIORS** were off on their vacay, here at **SDC** there was a strange commotion at lunch. **RABBI HILDESHAIM** started calling on people and demanding their countries of origin! What was going on!? He wanted to get to the bottom of where each and every camper came from. Everyone was in a daze, wondering what was going on, until..... **OLYMPICS 2022!!!** Each bunk in the **20S, 30S, AND 40S,** pulled out flags from the fab flag bag (say that 20 times fast) to determine which country they would be representing! After the opening ceremonies, campers began competing in tons of summer **OLYMPIC ACTIVITIES.** Our spacious pool was transformed into a 5 lane Olympic arena, as the campers zipped through the water in 200 meter 400 meter and 800 meter races. Next they competed in **GABE'S** of ultimate soccer. The counselors mustered up all their strength in the Ironman frozen T-shirt competition. In the end, it came down to one country in each division to take home the gold and receive their medals at the closing ceremonies! Congratulations to everyone! It's the effort that really counts, and if your country didn't win, you're still a winner, because you can always move to the winning country.

Our week ended with a culmination of leagues, of course. The **40'S** were the first division to complete the World Series and boy was it a nail biter. The #1 seed, Lorax faced off against the #3 seed, Cat in the Hat. The game was a tight pitcher's duel until the 4th inning when **MENACHEM BLUMBERG** hit a two run triple to take the lead. Ultimately, Cat in the Hat tacked on two more runs and won the World Series 4-0. Congratulations to everybody for an awesome competition and good luck to everybody in the second half of the season.

That's right. The first half is unfortunately coming to an end. But don't worry, because the action never ends here at **SIMCHA DAY CAMP!**

# CIT CHILL

I'm in absolute shock-the first half of the summer is almost OVER!! Impossible! We just started yesterday! I guess time really does fly when you're having fun (and hooping like crazy)!!

Monday saw us begin the playoffs. Every single guy who was there can testify that we had two of the absolute most EPIC, intense volleyball games of all time. Coming back from down 2-0, a rain delay, moving the entire court over and still having an insane finish-hey, is just another day at the office when you're a CIT!!

We also had an incredible overnight, replete with the usual craziness and good times that that entails.

Stay tuned for a basketball championship game on Monday!

Can't wait!

Have a great Shabbos!

As always,

*Rabbi Meyer*

Dear Simcha Day Camp Parents,

As the first half of this wonderful summer comes to a close, and we say goodbye to some of our staff members and campers, we would like to take a moment to recognize the hard work and caring that our dedicated staff puts in daily, ensuring that your son has the most amazing summer experience ever.

Below please find a staff roster and a suggested tipping list. Staff members who will not be here second half are indicated in bold with a (J) next to their name.

In order to ensure that tips reach their desired destination, we recommend the following suggestions:

- Send in tips for each staff member separated in individual envelopes, clearly labeled with your son's name, bunk, bus and the staff member's full name
- Place all envelopes into a Ziploc bag labeled with your son's name and bunk
- If you come by bus, give the bag to the bus counselor first thing in the morning and he will drop it off in the office.
- Send in all tips by Thursday, July 21st.

Looking forward to a spectacular second session.

Sincerely,

*Rabbi Avi Taub*  
Camp Director
