In this week's Parsha, Moshe Rabeinu reminds us of the aveiros that were done during the 40 years in the Midbar.

The reason for this was that we should realize the great chesed of Hashem. We did aveiros, and when we did Teshuva Hashem still kept us as his beloved nation.

Moshe did not say what the aveira was, He just mentioned the place, not the

aveira. He did this not to make Klal Yisroel feel bad.

When you teach someone right from wrong, always remember to do it in a way that won't hurt their feelings.

Each Yid has awesome greatness in them. Always remember when you look at another Yid, look for the good, the Mitzvos, and the kedusha in them.

LIVE REPORT!

Oh my! **MONDAY** morning had just begun and rumors were already flying! While hundreds of campers wondered what they'd be doing **INSTEAD OF SWIM** this week, **MIDZ DIVISION HEAD DONNY RUDANSKY** warned everyone to stay away from the Diamond Beis Medrash until after lunch for a special activity. Special activity??? That can only mean one thing. **DR. SCHNITZEL!!!!** Yes, we can watch **DR. SCHNITZEL** wow the campers with his wacky wonders combining science, entertainment, and edge of your seat pumperoo, even though it's the 9 Days. You're **NOT EATING DR. SCHNITZEL!** With his over-the-top science experiments, like Elephant Toothpaste and ladder climbing, campers couldn't wait to volunteer for the show. And nothing is better than the strength of campers defeating their counselor competitors in a match of tug of war!

As the rumor mill continued on about other 9 days activities, a new cheer began in camp; **"GO GREEN OR GO GREEN!"** I can still hear them cheering throughout the day, as **GREEN DAY** landed in SDC this week. So many alien looking campers waking around, it's scary. I wonder which **COLOR GREEN** your son used when making his tye dyed shirt? Was it dark or light or hunter or olive or neon or forest or lime or mint? Oh, the list goes on and on. But I digress. One thing is for sure. I can't wait to see how those t shirts turn out (**MIDZ DIVISION**-remember to come in wearing your tye dye t shirt next Tuesday for **10 SIMCHA BUCKS** for your bunk!!)

The next activity that had everyone wondering, was something scheduled in the dining room other than lunch. What could it be?! Sure, we all love **CHEF MORDECHAI'S** scrumptious meals and look forward to them each day and even late nights. Even during the 9 days, **CHEF MORDECHAI** prepared Gourmet Lasagna for the **SENIORS** with late nights this past week, but why on this universe or any other universe for that matter would campers be scheduled for an activity in the dining room at any other time?? And then, as the campers headed towards the dining room in disbelief, they started to hear it. First the sounds were faint. Then the muffled words became discernable. "I scream, you scream, we all scream for **ICE CREAM.**" As the campers entered the room, the chant reached a crescendo. It was deafening! To help the boys cool off during this very humid week, **CHEF MORDECHAI** had opened his **TASTY TREATS ICE CREAM SHOPPE!** Scoop after **SIMCHA SCOOP**, flavor after flavor, topping after topping, **CHEF MORDECHAI AND THE KITCHEN STAFF** dished out tons of ice cream to our lactose deprived campers!

Don't worry! Don't panic! Just because **WE COULDN'T GO IN THE WATER THIS WEEK**, doesn't mean the water won't come to **YOU!** Besides, a shower every week or two wouldn't hurt anyone. So, with temperatures rising and the windshield factor at a stay 0, that's exactly what was called for. Now, what happens when you combine **WATER BALLOONS, WATER BLASTERS, SPRINKLERS, HOSES AND 100'S OF EXCITED CAMPERS?** You get yourself **WATER WARS!** It starts with just one water balloon and erupts into a blizzard of water balloons flying across the promenade. I'm still wringing out my shoes from getting blasted with all that H2o. They say if you stand on one foot and jump, you can drain your ears of all the liquid.

Speaking of health, what happens when you combine exercise and chessed? You get **SIMCHA DAY CAMP CAMPERS** raising thousands of dollars as they bowled this week for **CHAI LIFE LINE!** An amazing organization that brings summer joy to campers who especially need a boost of joy in their lives. So kudos to all the campers who went out to raise money and had a great time bowling as well. We are well on the way to beat our last year's record of **\$34,000.** If every camper collected just a few dollars, we would be able to do so many mitzvos. Remember to ask your parents for permission first. Kibbud av vaeim is a mitzvah as well, and comes first in this case.

The week ended on a somber note as **RABBI TAUB** delivered his **TISHA BAV** message to the campers. Of course we all hope that next year we will be spending our summer together in **SIMCHA DAY CAMP YERUSHALAYIM!** Looking forward to next week's incredible return to the pool and to find out who will be replacing **RABBI POLTER IN SDC!**

CIT CHILL

Another week in the books! Chock full of adventure, fun, craziness, and everything else CIT, as usual!

Leagues are up and running and the stakes have never been higher. A wild basketball game came down to one possession, as **AKIVA SCHWARTZ** blocked a 3 at the buzzer to give his team the victory! Hats off (not Yarmulkes, of course 😊) to all the competitors who gave it their all. That's what it's all about!!

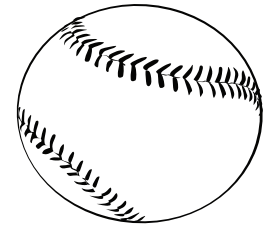

Our bowling trip rocked the house, as **MICHY LESSER** wowed those in attendance with a career high 155.

Looking forward to the amazing overnight next week! Stay tuned!

As always, have an awesome Shabbos!

All the best,

Rabbi Meyer
