DIRECTOR RABBI TAUB

What a crashing, smashing and bomb-bashing **SUMMER 2022** we had here at our **SDC CAMPUS!** As the buses pull out for the last time this season, many conflicting feelings engulf me.

On one hand, I remember the truckloads of fun we have experienced throughout the **PAST 8 WEEKS.** The hilarious **DRESS UP DAYS, THE SHOWS, THE CRAZY LUNCH CHALLENGES, THE GIANT 50 FOOT SLIDE CARNIVAL, THE AMAZING TRIPS, THE OVERNIGHTS, THE SPORTS, LEAGUES AND SWIMMING,** and how can I forget the greatest end of the **SUMMER CONCERT!** All of these events experienced with just the right amount of **COMPETITIVENESS, EXCITEMENT** and **MIDDOS** that are a trademark of **SDC.** I feel like everyone has grown in their own way, whether in **SPORTS ABILITY, SWIMMING LEVELS OR CONNECTION TO HASHEM AND LEARNING HIS TORAH.**

At the same time a feeling similar to sadness creeps in, whispering that the **SUMMER IS OVER** and that all the **FUN IS GONE.** I won't be greeting **25 BUSES** of **EXCITED CAMPERS** each morning as they rush inside to **DAVEN, LEARN AND PLAY.** I won't be able to meet the most amazing **HEAD STAFF, RABBI MEYER, RABBI POLTER, RABBI SAMET, RABBI ZEDNER, RABBI RUDANSKY, AND RABBI HILDESHAIM** every morning to plan each day's **CRAZINESS.** I won't be able to watch **CAMPERS AND STAFF LEARNING TORAH** under the guidance of their wonderful **REBBEIM** and the **LEARNING DIRECTOR, RABBI ROSENBERG.** I won't be able to be greeted by **MRS. RUBINOFF (SHIRA, SHIMON, YISHAI EZRA AND RALPH), MS. TURNER AND MS. GLATSTEIN** who are the smiling faces of **SDC. MRS. VADOFF (AND NAFTALI, ELLA AND THE SECRET FREEZE POP GUZZLER HIMSELF, MR. FLEX EMANUEL)** you are honorary citizens of our State. I won't see **SHAYA BAUM** and his crew or **NETANEL PLATOVSKY** and his **CHEVRA.** I won't see **AVI COHEN** and his team at the **CANTEEN.**

SWIMMING

RABBI TAUB CONTINUED...

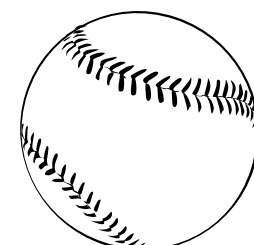

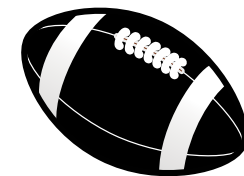

I won't see **RAFI GUBERMAN, MENACHEM ROSS, AND REPHAEL MILLER** who work so hard each day to keep us all hydrated. I won't see **ELI KOSTER** and the **REISMAN BROTHERS** who set up water and bus the tables each day. I won't hear **RABBI KLEINMAN** reminding us to **DRINK, DRINK, DRINK!** I won't be greeted by **EVERETT** and his team. I won't be able to marvel at how **MORAH ETTY** runs the tightest, smoothest **JUNIORS DIVISION** ever with the help of her **MORAHs** and **MORAH ESTIE (AND TOVA, YAAKOV AND ATARA)**. I won't see the coolest and most ingenious **ARTS & CRAFTS** projects created and instructed by **MRS. BRACH** and **MRS. ROSS** and their helpers. I won't see campers learning new **SWIMMING** skills under the tutelage of **RABBI ERIC MASLIN** with his lifeguards and **MRS. LEFF AND HER CREW**. I won't be able to appreciate how well **RABBI KRASNOW** takes care of our 9 acre campus daily. I won't be able to eat **CHEF MORDECHAI'S** delectable food any more. I won't have any reason to invade the **FINANCIAL OFFICES** to visit all the people who help make camp run so smoothly. A huge thank you to **RABBI SUDWERTS** who deals with all issues from **BUSES TO DRIVERS TO TRIPS AND ENTERTAINERS** and brings soft and squishy **BREAD FOR BREAKFAST**. So soft. So squishy. Across the board he is the most capable and underappreciated person I've ever met. Thank you all for an amazing summer!

There is only one thought that can break through the melancholic clouds in my heart. In only **10 MONTHS** we will meet again! These **36 DAYS** of fun will keep us ignited for the next **325 ODD DAYS OF SCHOOL** and get us ready for **SUMMER 2023 IN YERUSHALAYIM!**

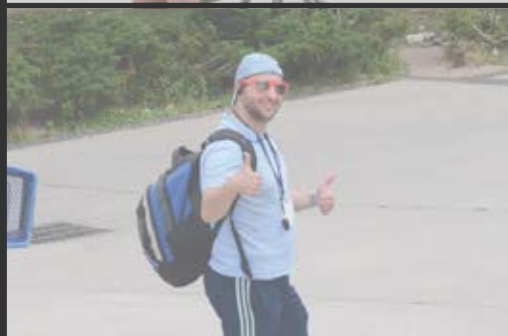

Don't forget to **BEEP 3 TIMES** when you see me!

Have a great year,

Rabbi A. Taub

SPORTS

ASSISTANT DIRECTOR RABBI SUDWERTS

I am always one of the last people to send in my yearbook article. The same thing happens every single summer. Our amazing graphic designer **MRS. WHITE** has to call me and nudge me for it so we can go to print. It's not because I am lazy... It's not because I'm a procrastinator (ask your parents what that big word means)... It's not because I'm so busy... it's because I get so sad

when I think about the end of camp that I just can't bring myself to write a goodbye letter.

So here goes...

GOODBYE EVERYONE!!!!

Love,

Rabbi Sudwerts

ORANGE DAY

RABBI SUDWERTS CONTINUED...

Phew, that wasn't so bad after all.

Now that I got the dreaded goodbye out of the way I can start planning for next summer, **SDC 2023!**

First and foremost, we must make sure that we get back all of our **INCREDIBLE CAMPERS** from last summer, camp just won't be the same without each and every one of them. To do that we'd better have a meeting right after Rosh Hashana to plan. By "**WE**" I mean the most amazing **DIRECTOR** of all day camps, **RABBI TAUB, AND MYSELF**. We'll need our powerhouse duo of head counselors, **RABBI POLTER AND RABBI SAMET**, since without them being here we might as well close up shop all together. I know the timing for them will not be an issue because they never sleep anyway! (They have **SDC** on the brain!)

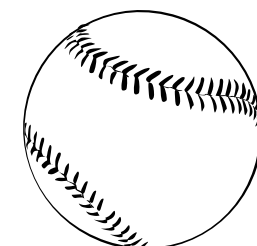

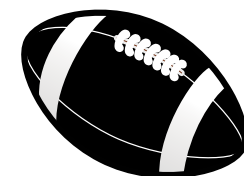

Let's not forget our creative, energy filled division heads, **RABBI HILDY, DONNY, DOVID** and **YEHUDA**. Having a meeting without them would just be silly. It'll be tough to pull **RABBI MEYER** away from his beloved **CIT'S**, but he definitely won't want to miss this.

Of course, what's a meeting without food?!?! Good thing we have **CHEF MORDECHAI** and his loyal crew of **CHEFS** and **WAITERS** to provide the necessary sustenance needed to allow us to really get things accomplished. Cause there is nothing more frustrating than walking away from a meeting no wiser than before. To make sure we have all our supplies, I know we can count on **MRS. RUBINOFF, MISS TURNER** and **MISS GLATSTEIN** to organize us and gather all the feedback from our amazing **SDC** parents that come in by phone or email.

Sometimes our meetings can get a bit heated, so I will ask **RABBI KLEINMAN** to be on standby, **JIC** someone needs a little **TLC**.

Now for the agenda, what do we need to discuss at this **GRAND MEETING?** Let's make a short list:

- Must book similar **AMAZINGLY AWESOME TRIPS** and **OVERNIGHTS** like this past summer
- Must continue to have the bestest and safest **LIFEGUARDS** at the gorgeous pool under the super and indefatigable **ERIC THE GREAT**.
- Must make sure **DONNY** keeps making the best daily schedules

CARNIVAL

RABBI SUDWERTS CONTINUED...

and **HILDY, DOVID** and **YEHUDA** keep coming up with the wackiest special activities

- This is a big one: absolutely must ensure that **RABBI POLTER** and **RABBI SAMET** hire back every single **COUNSELOR** and **JC**, this past summer was the most fantastic crew of staff we ever had!

- Plan a **COLOR WAR BREAKOUT** that will be even better than this past summer's (if that's even possible? I mean, sending **RABBI POLTER** to Minnesota and getting him a job as Menahel there, AND convincing the **GREAT GABE** to join **SDC**... all that just for show!)

- Finding someone even better than **MORDY SHAP** for concert (another ??)

- How can **RABBI ROSENBERG** and his dedicated **REBBEIM** plan even more exciting learning for our scholarly campers, all budding talmidei chachamim (perhaps the campers are ready to teach some learning groups?)

- I honestly don't know how we can plan a **CARNIVAL** that can top the one we had, but we'll try our best.

- What new ideas can we come up with for **RABBI KRANZ**, our fantabulous videographer, I already laugh and cry every week! Maybe next year we'll have campers present a weekly challenge (not sure **RABBI TAUB** will like that idea 😊)

- Plan the building layout with **SUPERMAN SHLOMO KRASNOW** (that will be an easy one cause he's just so super!)

- I know I'm forgetting things so we'll have another meeting

CHANUKAH TIME

- We'll need a whole separate meeting with the dynamic duo of **MORAH ETTY** and **MORAH ESTI** to plan an even more awesome summer for the new and improved **JUNIORS DIVISION**. That one will have to wait until after **SUKKOS**. Just too much awesomeness for one night.

Well folks, here you have it, **SDC 2023 PREPARATION** already in full swing, I can't wait to see you all here!!

Love,

Rabbi Sudnerts

BS"D

To My Dear Simcha Friends:

It was my honor and privilege to serve you this summer in the SDC Nurse's Office. I am thankful to the Ribono Shel Olam that, for the most part, we all enjoyed a healthy and safe summer. That gave all of us the opportunity to enjoy the outstanding camping experience here at SDC, without disruption.

I have been in camping all my life. I have attended the best and well-known camps as a camper, staff member and administrator. I have to say that after many seasons here as a Healthcare Provider and Head Staff member (and as a Parent of some very happy campers!) – Simcha Day Camp has truly distinguished itself as a camp that consistently has reached new heights in summer camping, season after season.

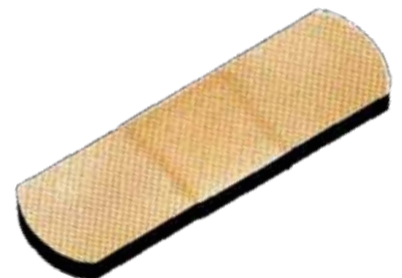

The outstanding staff of talented and responsible young men, the hard-working kitchen staff and the culinary expertise of Chef Mordy, along with the masterful and fun-filled leadership of Rabbi Taub, Rabbi Sudwerts and Rabbi Polter and the entire Head Staff Team – all in an atmosphere of uncompromising *Yiras Shomayim* – all combine to give the kids at Simcha an unforgettable and wholesome summer vacation with a lifetime of great memories to savor. I am proud to be part of it.

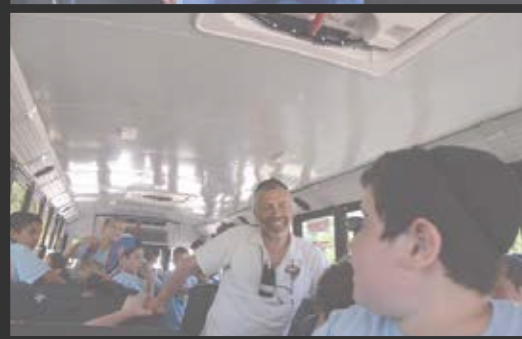

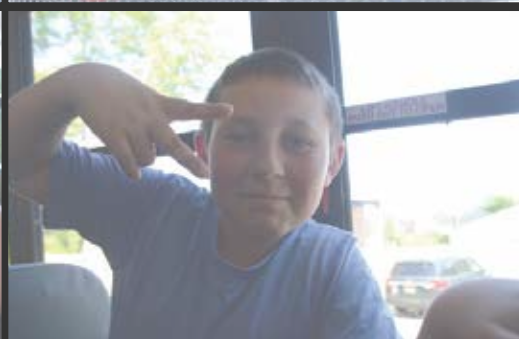

I wish you all *Hatzlocha* in the coming year and best wishes for a *Kesiva V'Chasima Tovah*.

Enjoy The Memories, don't Forget to Drink and Stay *Gezunt*,

YELLOW DAY

SPORTS

MIDZ HEAD COUNSELOR

Hey **MIDZ DIVISION**. It's been quite a ride we had this summer. I might even say, "best summer ever"!? Well, I let you decide. But for me, it certainly was. There were so many highlights this summer that I might need a special yearbook just for the **MIDZ!** What's that? I'm only allowed 1000 words? Ok. Ill try to fit them all in.

Let's start with "**THIS SIDE**" vs "**THAT SIDE**". If you're in the **MIDZ** you know what that means, and you also know how much fun we had. With games like **GIANT CONNECT FOUR**, **FROZEN T SHIRT CONTEST**, **BALLOON HOP**, and so many more, the dining room was pumping with excitement during every lunch. Did "**THIS SIDE**" or "**THAT SIDE**" win?

How about our amazing **COLOR DAYS**. Orange, Yellow, Blue, and Green. The **CAMPERS** came in ready for whatever we had in store for them. From **PEELING ORANGES** and learning the amazing **ORANGE PEEL BALLOON POPPING TRICK**, to crazy **BLUE ICE RACES** and **BALLOON BASKETBALL**. And of course, we wrapped up all those colors with **TYE DYE!** So many **CAMPERS** came back the following week showing off their fancy personally designed **TYE DYE T SHIRTS!**

And who can forget our weekly **SIMCHA BUCKS AUCTIONS**. With prizes like **PIZZA PARTIES**, **ICE CREAM PARTIES**, and even **TRIPS** to **SEASON'S EXPRESS**, each and every **CAMPER** did their part to earn **SIMCHA BUCKS** for their bunk.

Some of the best moments in camp took me by surprise. Like the opening ceremonies at our **OLYMPICS GAMES**. Or the shocking moment when I swept **DONNY** in the **CRAZY CHOLENT COMPETITION**. Actually, that was no shock. I knew I had that **ONE WON**. But I was shocked when the **30'S BEAT THE 20'S** in the annual **20'S VS 30'S STAFF KICKBALL GAME**. I guess we'll just get back to

MIDZ HEAD COUNSELOR CONTINUED...

the drawing board and figure out what we did to beat the **30'S** in all those previous years.

Our trips this summer were **LEGENDARY!** Perfect temperatures set the atmosphere for great experiences at **LUNA PARK** in Coney Island and **ADVENTURELAND** Long Island. Two world class amusement parks that are perfect for our campers. Rides for beginners and rides for pros, the parks were just what our campers needed when it came time for trips. Not to mention the in-camp specials like **WATER PARK CARNIVALS, THE LIVE GAME SHOW WITH YITZY ERPS, AND THE EPIC END OF SUMMER CONCERT WITH MORDY SHAP!**

And there are so many people to thank for giving us such a great summer at **SIMCHA DAY CAMP.**

Thank you to the amazing **20'S AND 30'S STAFF.** The **CAMPERS** had a great summer because of **YOU!** So you deserve the credit. You worked hard daily. From being **BUS COUNSELORS** and/or **DAVENING** in camp to attending **LEARNING GROUPS/making the DAILY COFFEE RUNS.** And then we had our daily **10:40 MEETINGS** in the dining room. You demonstrated immense maturity by being on time (wait were you?) and listening to my daily instructions on **CAMPER SAFETY.** And then you went out there and with a tremendous amount of energy, imbued the day with excitement and vigor. You went above and beyond for every one of your campers. Kudos to a job well done!

Thank you to **RABBI ROSENBERG** and all the amazing **SIMCHA DAY CAMP REBBEIM** for helping our campers start off the day with **DAVENING** and **LEARNING,** always teaching our campers to be a mensch!

Thank you to **CHEF MORDECHAI** and the **KITCHEN STAFF** for preparing all of our delicious meals; breakfast, lunch, even late-night

MIDZ HEAD COUNSELOR CONTINUED...

suppers! You kept us well balanced and nourished throughout the summer.

Thank you to our amazing Aquatics Director and Head Lifeguard **ERIC MASLIM**, and all the **LIFEGUARDS** on deck for helping our **CAMPERS** flourish into amazing **SWIMMERS** this summer. The swim program here at **SIMCHA DAY CAMP** is an integral part of the camp's success and once again you made sure our program was top notch!

Thank you to our amazing office staff, **MRS. RUBINOFF AND MISS TURNER**. Behind the scenes you managed to take care of all our **CAMPERS** and **COUNSELORS** needs. Whether you were dealing with working papers, dismissal changes, chai lifeline orders, canteen refills, just to name a few. Everything was handled with class and calmness that is necessary in such a chaotic atmosphere.

Very special thanks to **RABBI HILDY** and **DONNY RUDANSKY**, the greatest Division Heads the **MIDZ** have ever seen. Each day you both brought your "A" games, always adding flare and making **CAMP** super exciting. From blacktop activities to the **20'S 30'S CHALLENGES**, there was never a dull moment.

I'd like to thank the incomparable **SENIORS HEAD COUNSELOR RABBI SHRAGI POLTER** for all of his support this summer. You made the transition to **MIDZ** head counselor smooth and effortless.

Of course, none of us would have a **SIMCHA DAY CAMP** to go to without all the endless nights of hard work done throughout the year by **RABBI TAUB** and **RABBI SUDWERTS**. Thank You for allowing all of us to enjoy the best summer camp in the world!

Can't wait for summer **2023 SDC YERUSHALAYIM!**

Sincerely,

Rabbi Shaya Samet

SUMMER 2022

ISSUE #5

JULY 29, 2022

Fantastic Fifth Week!!

Parshas
 מטות/מסעי
 7:55pm

FROM THE OFFICE OF 30'S PRESIDENT DONALD J. RUDANSKY:

What a truly unbelievable summer! It's such a great privilege to be able to come to this camp every summer! While most of my friends are stuck in an office building, studying for the LSATs, or studying the effects of nitrogen emissions on red tomatoes, I get to spend my summers in the greatest place on Earth - **SDC**! What an unbelievable blessing it is to come here each year. I really could not imagine being anywhere else. From its olympic-sized swimming pool to its 5 star sports campus - **SIMCHA DAY CAMP** cannot be matched. As the school bell signals the close of homework, deadlines, & studying, the sun shines bright on the lush baseball fields, crystal blue pool water, smooth promenade concrete, & towering bunkroom building of **SDC**. The joys, laughter & cheers of the young lads usher in another sensational summer at **SDC**. It is a summer oasis that fills our campers with yearly vigor. The fun that spills forth from this place brings forth a reinvigorating spirit of happiness and joy unmatched amongst the yearly occurrences and events that are part of the yearly cycle of life. The summer in **SDC** is like no other. All the non-**SDC** humans look towards **SDC** for guidance. With deep awe and admiration and a small sense of jealousy they wonder how a day camp nestled within the confines of Far Rockaway can reach such towering heights of greatness. They are bewildered at the magnificence of **SDC'S** campus and program. Oh, **SDC**, how can one be so great and allow for such deep happiness and joy. Please bring us into your talons, they plead. Alas, only the very fortunate ones are allowed to experience this profound feeling of ecstasy and joy.

SUMMER 2022 was one for the history books! What an honor to be the **DIVISION HEAD** of the **30'S DIVISION**! There were about 100 kids in this division but you each really had your own unique and fun personality. I really enjoyed swimming and running activities with you guys. You guys were a lot of fun and I am really going to miss you guys!

We were all stunned & saddened by the news of **GAVRIEL KATZ** midway through the summer but with a tremendous outpouring of tefillos from the staff, campers, & the rest of Klal Yisroel, Hashem brought forth an amazing miracle & Gavriel's recovery was nothing short of a miracle. We continue to pray for the full & speedy recovery

INTERMEDIATE DIVISION HEAD CONTINUED...

of **GAVRIEL YEHOSHUA BEN NECHAMA CHANA**.

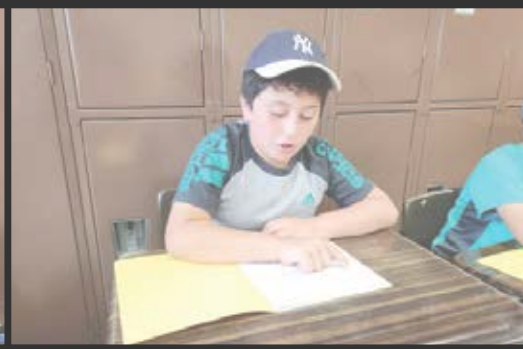

Thank you **RABBI TAUB** and **RABBI SUDWERTS** for giving me this opportunity and running, what I definitely believe is the greatest camp around! It's really an amazing and fun-filled summer! Most camps need to bus to different places but we have everything right here on campus! A HUGE thanks to **RABBI SAMET** - Head Honcho, Maestro, commanding Wizard of the **MIDZ!** Thanks for always being on top of things and making sure things ran smoothly, & for your sagely wisdom and knowledge! Thank you to **RABBI POLTER** for all that you do in camp! **SDC** runs on **RABBI POLTER'S** clipboard! Thank you **RABBI HILDESHAIM** for all the fun & hype! **SDC** 2nd half is truly not the same as **SDC** 1st Half! We miss you! **CHACHAM ZEDNER** - great job mixing it up in the upper divisions! From Finding **GABE** to Quidditch you kept the boys on their toes. Great having **YEHUDA SHAPIRO** back for the **2ND HALF!** What a great duo - you & **YAAKOV!** BIG shout-out to King of the **CIT'S AVROMI MEYER!** I get to work with this man the whole year & it's mamish poshklisque! A HUGE thanks to my really amazing assistants! - **NOAH & AKIVA** - you guys were a big help! Big thanks to **MASTER CHEF MORDECHAI BIJAM** and **MENACHEM ROSS** for the amazing food! And big thanks to **MR. ERIC MASLIN** and the lifeguards for taking care & nurturing **SDC'S** prime jewel - the olympic sized swimming pool. The truth is, what brings me back each year to **SDC** is this amazing pool. Thank you to **MORAH ETTY** and **MRS. SAMET** for all your help - it's great working with you! Also, big Thank You to the people of the office - **MISS TURNER & MRS RUBINOFF!**

Last, but not least- what a really amazing **30'S STAFF** this summer! You guys were a really fun and helpful bunch! **SRULI, YAAKOV, ITHAMAR, YEHUDA, ARYEH, AVRAHAM, YISROEL, MOSHAV, JOSH, YOAV, SHIMMY, MEIR, ALTER** (you too **SAM & BINYAMIN** 😊)! - what a really tremendous job! You guys were amazing! Not only was my job a whole lot easier because of you guys but you also made my job a lot more fun! I really truly enjoyed working with all of you this summer! I hope to keep in touch and see you guys next year! And to those off to Israel, enjoy and have a meaningful year in Israel!

It was really an amazing and fun summer! Will miss you guys! Next year in Jerusalem!

Jokes aside, when you think of **B42**, I want you to all remember what MADE us **42**. Whether it was our unstoppable sports skills, or those infinite trips to the canteen, to me, **B42** had a type of bond that really stood out. Each and every one of you built this bunk up, and I for one think you should all be proud of that! A special thanks to my **JC'S NETANEL ZABZANOV** and **SHMUEL SKRILOFF**, thanks for being the greatest **JC'S** I could've asked for, and I really do mean it. SENIORS HEAD COUNSELOR

So here we are at the end of another summer in **SDC**. How could I write the whole summer in one article? I can't, so I won't. Instead, I'll try to tell you about **NEXT YEAR!!!!!!**

"WHAT RABBI TAUB, I CAN'T TELL THEM HOW NEXT YEAR WILL BE EVEN BETTER BECAUSE..... OH! I SEE."

I really can't tell anyone about next year.

Well then we will write about our great **SUMMER IN 2022**.

Coming off the **BUSES**, some went to **BREAKFAST**, others.....where did you go? I searched everywhere and then I found you in your **LEARNING GROUPS**.

We had such **GREAT ACTIVITIES, THANK YOU STAFF MEMBERS** for making it happen. From **BUNK GAMES** to the **GREATEST LEAGUES** ever and then those **SPECIAL ACTIVITIES**.

What about all of the **TRIPS** and the **OVERNIGHTS** and some **CRAZY GAMES** during lunch.

But best of all was watching all of your smiles after a hot sunny day coming back into the building, a quick high five or a wave from across the prom.

You guys know this year we really had such great duos of **COUNSELORS** and **JUNIOR COUNSELORS**, and what about all the **HEAD STAFF** that lead us everyday, I know you want to read your **BUNK ARTICLES** so go ahead and I'll just thank a few people.

RABBI TAUB and **RABBI SUDWERTS** or **SUDWARTZ** or you know who you are. You two are incredible and so supportive of anything we ask for, always two steps ahead of us and preparing the whole summer. I don't know how camp could run without any of you.

RABBI SAMET, RABBI HILDY, DONIE "CHACHAM" DOVID AND AVROMIE M. Thank you for being such a great team, it was great to work along and together with you.

YEHUDA AND YAAKOV SHAPIRO, that's all I need to say, everyone else could fill in the rest.

MRS. RUBINOFF, always there to complete my jobs and even sometimes to do my job. Thank you for doing it with such class.

MISS FAIGY, I don't know how you pulled it off that, was a lot of youth corp. Go home and get some quiet time you, deserve it.

And to the **GREATEST CAMPERS AROUND, I HOPE TO SEE YOU IN 2023!!!!**

Rabbi Polter

GREEN DAY

SENIORS DIVISION HEAD

You need to know the truth of how the **RED TEAM** won **COLOR WAR**. Now that I have your attention, brace yourselves for an emotional outpour. **CAMP** is almost over and I'm caught up in my feelings, and here's why.

SIMCHA DAY CAMP is the best camp in the universe. **PERIODT** (with a capital T). The highly **COMPETITIVE SPORTS, AMAZING GROUNDS, OLYMPIC SIZED POOL** with the smoothest **POOL DECK** in the game, and a **CANTEEN** so robust you don't even need the bodega by Seagirt. It really makes you feel like you're not even in the city anymore! However, a **CAMP** without campers is like a body with no neshama. Thank the good Lord that **SIMCHA DAY CAMP'S** neshama is a rocking one, full of ruach and joy. The energy is palpable right when the first bus rolls in. Let's give a shout out to staff! Our staff here in **SIMCHA DAY CAMP** is an extension of our **CAMPERS**. All home grown talent. I even got to see my **CAMPERS** become **STAFF!** (Boy I'm getting old!) It's like one big family here.

And it's all over now until next year, when we pick it all up again right where we left it. Hopefully, this time in **JERUSALEM**. That's why I'm all caught up in my feelings, thinking of the long winter without my summer family. I'll miss you all and hope to see you soon!

MEMOIRS OF A CIT DIVISION HEAD

Howdy, folks. The end of the summer is, once again, upon us, and I sit here typing up the traditional end of summer letter to my guys, the **CITS**. I always like to use humor and randomness to try to convey my feelings and thoughts. However, it's very important to me to also include depth, emotion and feeling, because our summer days- as jam packed as they may be with action, sports, wackiness, and every other aspect of life in the phenomenon that is the **SDC CIT'S** - are also an incredibly powerful vehicle of bonding, growth, lifelong memories, and greatness in so many ways. So, I'll attempt to balance and juggle the tone and tenor of this article to capture the full richness of our summer. Here goes! (Wow, what a sophisticated introduction, **AVROMI!** We're so impressed!)

Obviously, sports are a big part of our day. At the beginning of the summer, I thought a good defensive strategy in hoops was to let **EZRA MIMUN** shoot the ball from anywhere beyond the paint. He has certainly proven me wrong on too many occasions to count. **JOEL FRIDMAN**, you are such a class act. I love how you are subtly able to do the behind the scenes negotiating in leagues in such a cool, nonchalant way. **DONNY MITTMAN**, not only is your shot from downtown **RIDICULOUS**, but you're also such a cool cat that everyone feels comfortable around. **EPHRAIM TWERSKY**, the King of the triple play, don't let anyone tell you otherwise-Matt Holliday DID touc]h the plate (Go Rox)! **SHUIE TAUB**, I was so impressed with your ability to have a real, genuine conversation, even when things didn't go in a way you would have liked on the field; **HUGE** tool for life!

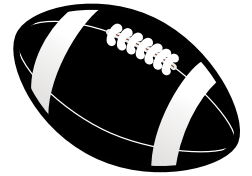

Some of the **CITS** made truly huge impressions with their bunks. **SHMUEL DINOWITZ**, you truly rocked it. **YEHUDA KARFUNKEL**, you and your bro make a fantastic tag team! **DANIEL SHILMAN** got in on the action with multiple bunks-those kids loved you dude! **YEHUDA MAYEFSKY**, as always, made the extra effort to always be there for his guys. Obviously the same goes for **JACOB COHEN**, who, despite a painful injury, **STILL** did his thing on the daily! Can't forget to include **NETANEL KAIKOV**, who looks scarily **EXACTLY** the same as his brother. Speaking of Cohens, **GAVRIEL COHEN**, you are one the biggest Baalei Middos I have ever met-keep it up!

MEMOIRS OF A CIT CONT.

SHMUEL RICHTER, your comments, videos, and of course, filling up my Seltzer bottles, literally transformed my summer. You are a rock star! **AARON GREENFIELD**, YCQ legend, thanks for always being so chilled about everything-you were always such a good sport. **SHMUEL LEVKOVICH**, North Woodmere represent! Keep ballin'!

ADIN LOPIN, Mazel Tov on your Bar Mitzvah! Everything worked out perfectly - You got an Aliyah AND Lained amazingly! **SHLOMO MARKOVICH**, you're that guy-the guy everyone wants on their bball squad; does whatever his team needs to get the W. **AARON SCHOENFELD**, you're the guy who makes bucket hats cool. **YOSEF CHAIM SHIMONOV**, can't wait to see you in MAY next year! **DOVID BONDAR**, a huge Romimu pickup, you added so much to the chill. **RONY COHEN**, dude-you're just gonna leave us for Texas? Just like that?? I hope they know what an incredible guy (and shortstop) they're getting. **ASHI FELDERRRRRRR!** Wouldn't be the same without you! **NAFTALI GLATSTEIN**, are you the camp photographer? **BORUCH "ZIPPETY ZIP ZIP" ZIPPER**, you are such a refined, good guy. I truly appreciated and enjoyed having you around. **EPHRAIM WEISS**, We made it through the whole summer without you getting lost in some random place instead of Belle Harbor- good work! **BENNY FRIDMAN**, being a Nets fan is very tough, I really do feel for you; we'll see what happens with KD I guess. **DOVID "SONIC BOOM" SONIKER**, another MAY guy, you were amazing, can't wait for the next 4 years!

BINYAMIN ZIMMERMAN, you are a silent assassin. Thoughts and prayers to anyone who hits anywhere near left field when you're playing. **TZVI RAND**, aside from the fact that you've become an amazing baller who can shoot from deep and take it to the cup, you have also grown so so much as a person-It's such a pleasure to see how you've come so far over the years I've known you! Keep it up dude!! **YEHUDA LOWY**, you are the true definition of a Mensch, I'm so impressed with you. **DOVID CHAIM GERLITZ**, you exemplify what a CIT is all about with your leadership skills. **AVRUMI "ROBERT" TWERSKY**, having to turn around every time someone called your name kept me on my toes all summer long! **TZVI WOLF**, you are a superstar CIT who is so good with the kids-keep it up! Can't go without also saying the same thing about **SHALOM ZEV SOLOMON** - CIT by day, Ninja at night. **SHAI FOGEL**, having easy going, fun,

MEMOIRS OF A CIT CONT.

chilled guys like you around is what makes the summer flow. **AKIVA SCHWARTZ**, our Israeli import, truly brought with him the flavor of the Holy Land, and spread it through-out **SDC**. What a guy!

NATANEL KOHEN, back for another summer, is still the guy who manages to both warm your heart and hit a layup over a 6 footer at the same time. **SHRAGI LERMER**, I learned so much just by observing how you conduct yourself every single day. You are a truly amazing guy. **SACHIE KATZ**, how do you do it? Your infectious smile changes the whole atmosphere wherever you go; you're a breath of fresh air. **VALL GORBUNOVA**, swing a little lower and I guarantee a home run every time. You're a beast. **JACOB KHAFIZOV**, You are like the Energizer Bunny, if the Energizer Bunny had sick handles and didn't miss from downtown. **CHAIM SIEGEL**, such a good all around

dude, good luck in Baltimore next year! **ELI JOSHUA**, as if we needed more proof that West Hempstead is the best, you came along and sealed the deal! **DOVI NEUMAN**, the Netzach Knights are lucky to be getting a guy of your caliber, both as an athlete and as an amazing person. **ELIYAHU SCHREIER**, a fellow Fultoner and the best spot up shooter in all the land, thanks for all the positive energy you bring every single day. **CHACHAM SHMUEL ARYEH SULIMANOV**, you are a wellspring of Torah. **MORDECHAI ELIYAHU SHORE**, if you steal the ball from me one more time, I am going to have a meltdown. **MEIR SIMCHA PRETTER**, Mazel Tov on your baby sister! Hope to see you around the hood. **EZRA GELFAND**, baseball slugger extraordinaire-Your middos are even better than your hitting! **GABI KHAFIZOV**, a guy with a heart bigger than Manhattan, thanks for volunteering to be a Captain, despite the annoyances the job entails. **DANIEL GREENBERG**, where would we be without you (and your Rock)? Tell Jeremy I say hi, and that I will NEVER allow a Greenberg to beat me in a one on one. **MOSHE KAUSHANSKIY**, I get out of breath just watching you play ball tirelessly. **DOVI LERNER** - Full Time CIT? Half? Full? Half? Wherever you are, you add so much flavor and zest. **AVRAHAM ROSENBERG**, seeing you constantly work on your craft, honing your skills, and looking to learn-these are tools which will take you far in life. I'm proud to know you! **YOSEF SCHWARTZ**, My fellow Colorado fan, I know I know I KNOW you're not really an Avs fan! I just say it to make myself feel good. You're the best!

RED COLOR WAR GENERAL 2022

WOW RED TEAM WE DID IT!!! Clocking in the win for the longest color war in **SDC HISTORY** was not an easy feat but with the help of my trustee Lieutenant, **SHMUEL LEFF** and my fierce Captain, **YOSEF MARKY** we managed to pull off the exhilarating victory! Of course I couldn't have done it without the help of **SDC'S** incredible staff members, especially my lead song writer/composer **DOVID ORRIN**, my Apache wizard **CHESKY AXELROD** who managed to figure out the entire race on extremely short notice and **NETANEL PLOTSCHK** for his Herculean efforts behind the scenes. A massive thank you to the staff and kids who helped out with the skit, which starred world famous actors **YIDDLE WIENER** and **MOSHE POTASHNIK**. Last but certainly not least **THANK YOU TO THE CAMPERS!!!!** Your unparalleled ruach and dedication was the tipping point in our victory!! You guys dressed up, played hard, and sang your hearts out! You deserve a massive pat on the back!!!

Now that I'm done thanking my winning team of **RED**, I would like to give a massive shoutout to the **GREEN TEAM**. Although you guys fell short, it was your hard work and dedication that kept us on our toes and fighting hard.

To end off I would like to thank the **HEAD STAFF AND GABE** for putting together the break out of the century and for running the **BEST CAMP IN THE WORLD!!!**

See ya later **SDC!**

GENERAL TZVI

GREEN TEAM COLOR WAR GENERAL

Dear Soldiers of the **GREEN TEAM**,

We might have lost the war, but not the battle! The **GREEN TEAM** pulled off the closest color war in **SDC HISTORY!** We had the best color war staff entrance (Red Team- sometimes it is better to keep quiet)! Although the **APACHE RACE** came down to the **GATORADE** that's only because the **CHACHAM** decided to take away our lead to make sure that the **RED TEAM'S RUNNER** was okay after his fall because of his dedication to the **RED TEAM!** But even that couldn't stop us....we took **THE VICTORY!!** And that is thanks to our dedicated **LIEUTENANT AKIVA SCHREIBER!!** Even in the **20'S AND 30'S CRAZY ACTIVITY** did **GREEN TEAM** take the "W"!! In the **GRAND SING** we were so loud in the **CHEER SONG** that the **RED TEAM** realized that we weren't messing around and improved themselves for the **ALMA MATER.** But our **ALMA MATER** is still **AMAZING!!** And that is thanks to our dedicated **CAPTAIN SRULI LANGER!!** While on the topic of **THANKS** - I would also like to thank **YAAKOV SHAPIRO** for teaching all the songs and making sure that everyone knew them as well as they did!! As I sit here two days after the **GRAND SING**, I'm still wondering how with us doing so well that we lost by **ONLY 3 POINTS!!** But instead of asking the **HEAD STAFF** - I will leave it to the **RED TEAM** to ask as one of their **FOUR QUESTIONS** of the **MAH NISHTANAH!** As the **SECOND** of the **FOUR QUESTIONS** they can find out - all the **SINGERS' NUMBERS** that **CHACHAM ZEDNER** had to get out of me to get me to come to the **COLOR WAR MEETING!**

GREEN TEAM - COLOR WAR GENERAL CONTINUES...

I would like to finish off with a couple of more **THANX**.

#1 - RED TEAM STAFF - For showing me what it takes to win a color war (it is not all about the Apache).

#2 - ARI KNOFF - For all the advice you gave me when I was your Captain.

#3 - All the **AMAZING STAFF** who helped during all the team times.

#4 - The **HEAD STAFF** for entrusting me with being **GENERAL**.

Dear **RED TEAM**,

Although you were victorious, we know all year, the whole year, you'll be singing our **CAMP SONG**

(**GREEN TEAM** join with me in singing)

TTTO: K'AYOL FROM A KUMZITZ IN THE RAIN FEAT. ARI GOLDWAG

ALMA MATER

TTTO K' Ayul Ta' arog

Verse 1:

Sitting in class, clock ticking by

Waiting for school's end

How I wish time could fly

Want to see my friends, all my counselors too

I can't wait, just can't wait, for summer '22

Verse 2:

Marching off the bus, greeted by the staff

Roaming down these halls

As I relive the past

So much fun with friends, it's been ten months long

But all year, the whole year, singing my camp song

Chorus

We love SDC, cuz that's where we belong

Favorite place to be, the whole winter we will long

Come back to our home, where we're meant to be

SDC, Oh SDC, we don't ever want to leave

You're my special place, always in my heart

Best of friends and staff, do we really have to part?

Wishing these 8 weeks, would last for the whole
year

Verse 3:

Love to swim in camp, activities so fun

Playing sports all day

A program so well run

Thanks to the head staff, counselors and JCs

The best staff, the best staff, with lots of expertise

Verse 4:

Summer's winding down, camps about to end

It's just about time, say goodbye to my camp friends

Is summer really gone?

It went by way too fast

SDC, those memories, forever they will last

Doors are open, buses have arrived
I feel excited, to come to S-D-C
S'long we've waited
To return, to our most favorite place
Simcha puts a smile on our face

The counselors, greet me with a smile
Always pumping, they go the extra mile
They are always ready
To help us and make sure that we know
S-D-C's the place that feels like home

CHORUS

Simcha Day Camp!
Please tell me why!
I must say goodbye!
Why can't we just stay!

Such a short time!
Must there be an end!
No longer with our friends!
Please just let us stay!

Always finding ways, to be so kind
How can we just leave this all behind?!
